## Privacy and Terms

To create a Google Account, you'll need to agree to the [Terms of Service](#) below. In addition, when you create an account, we process your information as described in our [Privacy Policy](#), including these key points:

### Data we process when you use Google

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google

You're in control of the data we collect & how it's used
